STUNNING
skin restoring facial

EXPERIENCE: Simply stunning is simply you, and this treatment was made to unearth your natural radiance. We begin with a minty green clean cleanser — infused with calming Hi-Bio® Hemp — that removes oil, makeup and dirt, while leaving clearly nourished matte skin. Next, complexion is replenished with waves of hydration in the form of an alcohol-free superfruit tonic. A plantfoliant® blend then smooths away the rough. A soothing avocado mask restores hydration and calms any irritation. We journey back to youth with a watercress extract & retinol geleé blend. Finish with a brightening whip, made with the plant-based retinol alternative ingredient bakuchiol, that helps minimize the appearance of fine lines — along with a bio-peptide eye serum.

OPTIONAL ADDITIONS:

- Elevated Shade® - SPF30 sun protection
- Vitamin C Booster - brighten & smooth
- Bakuchiol Booster - refine & firm
- Hyaluronic Booster - replenish & plump
- Infinite Chill Facial Globes - firm &/or sinus relief
